Most Ladies Wish to Pay \$4 For Their Shoes

It is a good safe price, and nearly always has brought very good shoes.

But it is fair to say that they would be more careful this year, for in many instances \$4.00 will not buy as good as shoe today as it once did.

We have been able to keep the same standard of quality up without raising the price, but it is only by reason of long standing agreement with certain manufacturers. You can get almost any kind of a shoe you want here at \$4.00 and shoes that give you service as well as style.

BIG LEAD

Secured by Wheeling Bowlers in Tin Plate Contest Rolled on the Gore Alleys.

In the first five games of the ten game ten pin contest between Wheeling and Clarksburg, rolled on the Gore bowling alleys Friday night the Wheeling bowlers secured a 182-pin lead. The lead secured by the Wheeling bowlers last night will prove a big handicap to the local men when they go to Wheeling as the Wheeling men should make bigger scores on their home alleys.

To win the contest the bowlers should have secured at least a 200-pin lead in the five games rolled here. Frazier, of the Wheeling team, had high score and high average for the contest. In the second game he rolled 238 and he averaged 185 in the five games.

George Thompson, the youngest bowler on the local team, lead his team with a high score of 203 and averaged 179 in the five games. The remaining five games of the contest will be rolled at Wheeling next week. Score:
